

BINNS & STEVENS DUST CONTROL

WE ARE TAKING ORDERS IN LUCAS COUNTY FOR 2017- PHONE - 800-451-1744

Check out our website at www.binnsandstevens.com

When you spread LIQUIDOW™ Liquid Calcium Chloride on unpaved roads, a lot of problems clear up.

*TM Trademark of Occidental Chemical Corporation

Calcium Chloride attracts moisture; this is what makes it an excellent dust control agent. It is produced from natural brine deposits found underground so it is safe to the environment.

DUE TO WEATHER, ROAD, & TRAFFIC CONDITIONS 2 APPLICATIONS ARE RECOMMENDED

SPECIAL INSTRUCTIONS _____

THE APPLICANT AGREES TO THE FOLLOWING STIPULATIONS:

1. The Applicant will furnish two (2) flags be installed and maintained by applicants to identify location of dust control the **entire** dust control. If flags are not visible for the entire dust control season, the area could be bladed at your expense.
2. The Applicator/Contractor will give two (2) weeks notice to the office of the Lucas County Engineer prior to the intended application of the dust control in order that the road may be bladed and shaped by the County. Lucas County will not deviate from its maintenance program to haul rock to specific calcium chloride sites. Therefore, this application does not guarantee that new surfacing material will be placed on the designated section of road prior to treatment.
3. The applicant is responsible for maintaining a suitable driving surface on the treated section of road. Failure to fill any potholes, which develop, will result in the scarifying or blading of the affected area. This will be done without prior notice to the applicant, to restore the treated section of road to a satisfactory driving surface.
4. The undersigned applicant(s) hereby covenant and agree to accept any and all liability in connection with any accident, which might result at the time of the application of the dust control or any accident which might occur at a future date as a result of the treated condition of the road. The undersigned hereby covenant and agree to indemnify Lucas County for any liability which might occur as a result of the treated condition of the road in consideration of Lucas County's permission to the undersigned to treat said road.
5. This agreement will become effective May 1st of the present year and will expire on October 1st of the present year.

I, applicant, have read and understand the Lucas County Dust Control Policy
