I, applicant, have contracted with the above mentioned contractor to apply a dust control material to a Washington County road. I have read the Washington County Dust Control Policy and I am aware that the County may, at any time deemed necessary, blade through this dust control area or add rock. I am also aware that in October my dust control area may be bladed and/or rocked in preparation for winter. I am aware that bright orange flags must be up and visible through October. *Initial here*
