

BINNS & STEVENS DUST CONTROL

WE ARE TAKING ORDERS IN MONROE COUNTY FOR 2021 - PHONE – 641-672-2566

When you spread LIQUIDOW™ Liquid Calcium Chloride on unpaved roads, a lot of problems clear up.

*TM Trademark of Occidental Chemical Corporation

Check out our website at www.binnsandstevens.com

CALCIUM CHLORIDE ATTRACTS MOISTURE; THIS IS WHAT MAKES IT AN EXCELLENT DUST CONTROL AGENT. IT IS PRODUCED FROM NATURAL BRINE DEPOSITS FOUND UNDERGROUND SO IT IS SAFE TO THE ENVIRONMENT. DUST CONTROL IS NOT TOTAL DUST ELIMINATION.

DUE TO WEATHER, ROAD, & TRAFFIC CONDITIONS 2 APPLICATIONS ARE RECOMMENDED

THIS IS A PERMIT FOR DUST CONTROL IN MONROE COUNTY. IT MUST BE SIGNED, then sent back to BINNS & STEVENS before deadline date. LATE APPLICANTS WILL BE ON LIST FOR THE NEXT MONTH.

SPECIAL INSTRUCTIONS _____

THE APPLICANT AGREES TO THE FOLLOWING STIPULATIONS:

1. The calcium chloride will be applied by the contractor you choose. Monroe County will coordinate our work with the dust control applicators. Each applicant will work directly with their own applicator.
 2. Applicator/contractor will give sufficient notice to the Monroe County Engineer prior to the intended application of calcium chloride in order that the road can be bladed and shaped by county equipment.
 3. **Applicant must have dust control area clearly flagged at each end for entire season.**
 4. If, following the application of calcium chloride, county personnel determine that the section of treated road needs to be bladed, scarified or shaped it will be done without notice to the applicant.
 5. Monroe County will not blade up the treated area before October 1st, unless deemed necessary to maintain public safety. Determination will be made by the County Engineer. After October 1st, Monroe County may blade the area thoroughly depending upon conditions.
 6. There is no guarantee as to the life of an application of calcium chloride, which is largely determined by weather and traffic. The County shall not be held responsible for any loss of the calcium chloride treated surface material. This application is limited to this one treatment only.
 7. The approved application grants the applicant permission to place calcium chloride on the public highway for the purpose of dust control, the cost of which is to be borne by the applicant.
 8. Any and all complaints regarding the performance of the dust control product shall be directed to the applicator, not to Monroe County.
- I, applicant, have read and understand the Monroe County Dust Control Policy
